📚 ملخص: Exchanges of Non-Monetary Assets (Lecture 3)

Made By : Ahmed Tamer

🔷 ما هو Non-Monetary Exchange؟

التعريف: الشركة بتديّ أصل (مش كاش) عشان تشتري أصل جديد، والفرق بيتسوّى نقداً

🔷 خلاصة الموضوع

```
هل في Exchange؟
                    ↓
        ┌──────────┴──────────┐
    Commercial              Lacks Commercial
    Substance                 Substance
        ↓                         ↓
┌──────┴──────┐                اعترف بكل
  Gains & Losses          Loss          Gain
                            ↓             ↓
                     اعترف بالـ Loss   ┌────┴────┐
                                   Cash Paid   Cash Received
                                      ↓           ↓
اعترف بـ        اعترف بجزء
                                   بأي Gain    Partial Gain
```

حاجة بس هقولك عليها لو جالك مسالة فيها Loss اعترف بيه وش ومتفكرش فيه جوهر تجارى ولا لا

🔷 القوانين الأساسية الـ 3

📌 القانون 1: حساب Gain أو Loss

created with craft

Gain/Loss = Fair Value of (Old Asset) - Book Value of (Old Asset)

Book Value = Cost - Accumulated Depreciation

النتيجة موجبة = **Gain** | النتيجة سالبة = **Loss**

📌 القانون 2: حساب الكاش

Cash = Fair Value (New Asset) - Fair Value (Old Asset)

النتيجة موجبة = **Cash Paid** | النتيجة سالبة = **Cash Received**

📌 القانون 3: Partial Gain (حالة 4 بس)

Partial Gain = Cash Received / Cash Received + FV of New Asset * Total Gain

Or = Cash Received / FV of Old Asset * Total Gain ⇒ دا فى حالة ان فى جوهر تجارى
واخدت فلوس ودا القانون الاسهل من الفوق

🔷 تكلفة الأصل الجديد في كل حالة

الحالة	تكلفة الأصل الجديد
1- Commercial Substance	FV of New Asset
2- Lacks + Loss	FV of New Asset
3- Lacks + Gain + Cash Paid	BV (Old) + Cash Paid
4- Lacks + Gain + Cash Received	BV (Old) – Cash Received + Partial Gain

✅ **طريقة التحقق دايماً:**

Cost of New = FV (New) – Unrecognized Gains

---

created with craft

🔷 تركيبة قيد الاستبدال

Account Name	Debit (DR)	Credit (CR)
Accumulated Depreciation (Old Asset)	XXX	
Cost Of New Asset	XXX	
Cash Received (If any)	XXX	
Loss on Exchange (If any)	XXX	
Old Asset (Cost)		XXX
Cash Paid (If any)		XXX
Gain on Exchange (If any)		XXX

الحاجات ال مكتوب عليها if any دى يعنى ممكن تكون موجودة وممكن لا على حسب المسألة
بالله ماتروح تكتبها فى الامتحان كدا ها

🔷 الـ 4 أمثلة مقارنة

✅ مثال 1: Commercial Substance + Gain

BV Old	8,000 (Cost 12,000 – AccDep 4,000)
FV Old	9,000
FV New	15,000

الحسابات:

- Gain = 9,000 – 8,000 = **1,000** ← معترف بيه كله عشان فى جوهر تجارى
- Cash Paid = 15,000 – 9,000 = **6,000**
- Cost New = FV New = **15,000**

created with craft

Account Name	Debit (DR)	Credit (CR)
Accumulated Depreciation	4,000	
Equipment (New)	15,000	
Equipment (Old)		12,000
Cash		6,000
Gain on Exchange		1,000

❌ مثال 2: Lacks Commercial Substance + Loss

BV Old	8,000
FV Old	7,000
FV New	15,000

الحسابات:

- Loss = 7,000 – 8,000 = **(1,000)** ← **معترف بيه**
- Cash Paid = 15,000 – 7,000 = **8,000**
- Cost New = FV New = **15,000**

Account Name	Debit (DR)	Credit (CR)
Accumulated Depreciation	4,000	
Equipment (New)	15,000	
Loss on Exchange	1,000	
Equipment (Old)		12,000
Cash		8,000

⚠️ مثال 3: Lacks + Gain + Cash Paid

created with craft

BV Old	8,000
FV Old	9,000
FV New	15,000

الحسابات:

- Gain = 9,000 – 8,000 = **1,000** ← لا يُعترف بيه عشان مش جوهر تجارى وكمان هتدفع فلوس
- Cash Paid = 15,000 – 9,000 = **6,000**
- Cost New = 8,000 + 6,000 = **14,000**

Asset Exchange Journal Entry

Account Name	Debit (DR)	Credit (CR)
Accumulated Depreciation	4,000	
Equipment (New)	14,000	
Equipment (Old)		12,000
Cash		6,000

💰 مثال 4: Lacks + Gain + Cash Received

BV Old	5,000 (Cost 11,000 – AccDep 6,000)
FV Old	10,000
FV New	8,000

الحسابات:

- Gain = 10,000 – 5,000 = **5,000**
- Cash Received = 8,000 – 10,000 = **(2,000)**
- Partial Gain = 2,000/(2,000+8,000) × 5,000 = **1,000**
- Cost New = 5,000 – 2,000 + 1,000 = **4,000**

created with craft

Account Name	Debit (DR)	Credit (CR)
Accumulated Depreciation	6,000	
Equipment (New)	4,000	
Cash	2,000	
Equipment (Old)		11,000
Gain on Exchange		1,000

🔑 جدول المقارنة

	Commercial Substance	Lacks - Loss	Lacks - Gain - Cash Paid	Lacks - Gain - Cash Received
Gain/Loss	**كله معترف**	**Loss معترف**	**Gain مش معترف**	**Partial Gain معترف**
Cost New	**FV New**	**FV New**	**BV Old + Cash**	**BV Old – Cash + Partial Gain**
